# Richland County Council Motion

**Id:** 101

**Title:** Detention Center Inmate Per Diem IGA

**Date:** 05/03/2022

**Current Status:** In Process

**Committee:** Misc. Staff/Internal

**Content:** Direct staff and legal to create a new IGA regarding the Alvin S. Glenn Detention Center Inmate Per Diem rate. Richland County is operating on fees that were implemented effective July 1, 2018, but did not go into effect until July 1, 2019 due to the 90-day notice requirement pursuant to the agreement. The agreement in effect at that time was to have the fee only increase $10 per year until it reached 95% of the actual cost to the County. We are currently losing thousands of dollars per year the way this is being handled.

Richland County should not have taxpayers pay for outside entities who placed individuals in the County Detention Center, as that is the responsibility of the placing entity. Every entity who places an individual in the Alvin S. Glenn Detention Center should have an IGA with Richland County that reflects the current rate they will be paying as well as the fact rates are subject to change upward or downward on an annual basis. Those IGAs should also be worded as an annual agreement with up to so many extension years the 90-day notice needs to be either reduced or more closely followed by staff.
