

Richland County Council Motion

Id: 49

Title: List of Public Meetings on County Webpage

Date: 06/16/2020

Current In Process

Status:

Committee: R&A Rules and Appointments

Content: I suggest that an upfront (Home Page) be required on the Richland County website that lists ALL public meetings and they must be listed 5 days in advance of the public meeting. Required information will include: stating the purpose, location, person responsible for meeting/hearing and agenda. Seeking public input via e-mail or in writing is important but not sufficient as the only input, COVID-19 or not
