

Richland County Council Motion

Id: 81

Title: Equity and Inclusive Assessment

Date: 03/02/2021

Current In Process

Status:

Committee: A&F Administration and Finance

Content: I move that Richland County Council direct the County Administrator and his staff to conduct an equity and inclusive assessment of Richland County Administrative policies and services; and provide recommendations for a comprehensive approach to advancing equity for people of color, women and others who have been historically underserved, marginalized, and adversely affected by persistent inequality. By advancing equity across Richland County Government, we can create opportunities for the improvement of businesses, communities and individuals that have been historically underserved, which will benefit all of Richland County. Appropriate assessments will better equip Richland County to develop policies and programs that deliver resources and benefits equitably to all.
