

Richland County Council Motion

Id: 23

Title: PFAS Study

Date: 09/10/2019

Current Complete

Status:

Committee: D&S Development and Services

Content: I move that Richland County undertake a study regarding the existence/prevalence of PFAS in groundwater and soil throughout the County. If desired, the County should coordinate with all municipalities within its boundaries to derive a comprehensive study on these harmful chemicals, and if necessary or warranted, a plan for corporate remediation
