

Richland County Council Motion

Id: 26

Date: 03/05/2019

Title: Richland County Workforce Development & Employment & Initiation (WDEI)

Current Status: In Process

Committee: EDC Economic Development Committee

Content: Investing in Richland County citizens through Workforce Development and Equal Employment Opportunities - I move that Richland County Administration and its Office of Economic Development work in collaboration with Midlands Technical College to explore the implementation of a Richland County Workforce Development & Employment & Initiation (WDEI). The initiative should include a Summer Youth Employment Program and will address employment and other economic development opportunities for disadvantaged and underserved communities of Richland County. The WDEI would address employability skills, support services, on the job training and job placement for unemployed and underemployed adults and youth residing in Richland County. The WDEI should also involve other County, state, public and private entities located in Richland County to maximize employment opportunities and a better quality of life for all of Richland County citizens.
